

No one should go hungry this holiday season - especially when it costs so little to feed a hungry and homeless person. And a meal is often the first step in dealing with the problems of the homeless.

So please help us care for the homeless -

\$20.50 helps feed 10 hungry people.

\$30.75 helps feed 15 hungry people.

\$51.25 helps feed 25 hungry people.

\$102.50 helps feed 50 hungry people.

Follow us:

- The homeless are not just statistics, although there are more than 34,000 homeless people in Southeast Michigan. Grace Centers of Hope provides over 100,000 meals each year.
- Grace Centers of Hope receives **NO** government funding; rather, we depend on the generosity of individuals, businesses, corporations and foundations to support our programs.
- They are not faceless—they are children, middle class families whose financial situations have changed drastically, women suffering from abuse, individuals challenged with mental illness, and those whose lives have been destroyed by alcohol or drugs—they were your neighbors.

*No matter how they became homeless, each one seeks HOPE.*

- Located in the midst of the community in a campus-like setting, Grace Centers of Hope provides refuge, safety and security, a home for those without one, and a wide range of programs to help people in need rebuild their lives and re-enter society as productive and responsible citizens.
- Grace Centers of Hope was established in 1942. It has since grown and evolved into the largest and oldest faith-based outreach to homeless and disadvantaged individuals and families. Grace Centers of Hope(GCH) provides a full recovery and rehabilitation campus for homeless men,women and children who have been abused or addicted to drugs and/or alcohol.
